DTC Communications hereby disclaims all copyright interest in the changes and enhancements made by its employees and consultants to eCos, including any future revisions of these changes and enhancements.

DTC Communications affirms that it has no other intellectual property interest that would undermine this release, or the use of eCos, and will do nothing to undermine it in the future.

eCos ASSIGNMENT

For good and valuable consideration, receipt of which I acknowledge, DTC Communications, Inc. ("DTC"), hereby transfers to eCosCentric its entire right, title, and interest (including all rights under copyright) in its changes and enhancements to the eCos Operating System and associated software (herein called the "Software"), subject to the conditions below. These changes and enhancements are herein called the "Work". The Work also includes any future changes and enhancements to the Software hereafter made by DTC, which are also hereby assigned.

Upon thirty days prior written notice, eCosCentric agrees to grant DTC non-exclusive rights to use the Work (i.e. just its changes and enhancements, not eCos as a whole) as DTC sees fit; (and eCosCentric's rights shall otherwise continue unchanged).

DTC hereby agrees that if it has or acquires hereafter any patent or interface copyright or other intellectual property interest dominating the software enhanced by the Work (or use of that software), such dominating interest will not be used to undermine the effect of this assignment, i.e. eCosCentric and the general public will be licensed to use, in that program and its derivative works, without royalty or limitation, the subject matter of the dominating interest. This license provision will be binding on DTC's heirs, assignees, or other successors to the dominating interest, as well as on DTC.

DTC hereby represents and warrants that it is the sole copyright holder for the Work and that it has the right and power to enter into this contract. DTC makes no other express or implied warranty (including without limitation, in this disclaimer of warranty, any warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE).
